

SNC Headquarters Search Update (January 12, 2006)

A total of 27 proposals in 9 communities were received by the Department of General Services by January 9, 2006. The various proposals are currently being reviewed to ensure that they meet the Conservancy's requirements and specific provisions contained in the request for proposal. This will include site visits to numerous locations as part of the evaluation. The SNC Board will consider the matter of selecting a headquarters at the February 23, 2006 meeting.

Proposals were received for properties in the following communities: Auburn, Colfax, El Dorado Hills, Martell, Nevada City, Placerville, Pollock Pines, San Andreas and Truckee.
